Frequently Asked Questions 9

Our Environmental Concern 10

I finally found the lost key to my whole health and it was my hair. The Morrocco Method has helped me revitalize my scalp and I am enjoying a magnificent full-bodied head of hair.

-- Sybil F. Fountain Valley, CA

Who We Are:

“Never compromise your health for the sake of beauty”

We have been creating raw hair care products with no chemical additives since 1965. We help people achieve the luxurious hair they have always dreamed of by combining ancient principles of Chinese medicine and Ayurveda with modern plant sciences. Our unique 5-element system uses only naturally-derived botanicals and minerals to reverse chemical damage and restore your hair to its natural, radiant state.

CRUELTY FREE

MADE IN THE
USA

NO GMOs

NO SLS

I wish I'd found you years ago.
Morrocco Method has changed
my hair forever!

-- Sharon K

How it Works:

Step 1. Consultation

We listen carefully to clarify your goals and come up with a plan to attain them.

Step 2. Product Development

At this point, we will have established your needs and will begin discussing purchase orders, deposits, R&D, testing, special materials and other costs. Our factory becomes your very own, and we begin making adjustments to get your product exactly the way you want it.

Step 3. Production and Thereafter

At this final stage, our unprecedented manufacturing facility comes to life at full speed. We promise to exceed your expectations with attention to detail and uncompromising quality. After production, we will inform you when your brand name is ready to ship.

As supply chain professionals, our goal is to ensure a steady supply of quality goods so that you may experience higher profit margins and promote customer loyalty, while maintaining the integrity of your organization. We will follow up with you on a regular basis to evaluate your goals, thereby anticipating further production needs.

The Products:

Living, fresh botanicals feed the hair shaft with vital proteins, minerals, and enzymes. These shampoos are formulated to help rejuvenate the hair follicles and stimulate new, healthy hair growth, as well as healthy amounts of oil production.

Restorative and moisturizing, all our products are made with botanicals known for their abilities to heal, restore and balance PH.

I thought it was not possible for me to have healthy, beautiful hair but the Morrocco Method really works. After ninety days I saw a significant difference. I am so amazed that my hair is truly beautiful now.

-- Joan Hillerts Ventura, CA

Green Tea Shampoo & Conditioner

For Normal to Dry Hair Types

Green Tea Shampoo

With no artificial colorants or fragrances, our shampoos are the most natural in the world.

Green Tea Conditioner

Formulated with shea butter and olive oil for maximum hydration.

“Not only is Morrocco Method the only hair care line that meets my ingredient standards, the products deliver incredible results. The pristinely holistic shampoos transformed my hair and scalp.”

-- Lauren Geersten, Nutritional Therapy Practitioner

Red Tea Shampoo & Conditioner

For Normal to Oily Hair Types

"These products were completely unique, and they are still my favorite because the scent and the feel were something I had never experienced before. The ingredients had such a nourishing and rich quality."

-- Linda Deslauriers, founder of Hair Garden

Red Tea Shampoo

Our products are handcrafted using the finest essential oils and minerals from around the world.

Red Tea Conditioner

White clay and neutral henna extracts naturally detox the hair.

White Tea Shampoo & Conditioner

For All Hair Types

White Tea Shampoo

Our in-house facility ensures total quality control to meet your exact specifications.

White Tea Conditioner

100% plant ingredients create a natural product unlike any other on the market.

"I couldn't have asked for more! [Morrocco Method] products have saved my thinning hair and my self-esteem!"

-- Sybil Green, San Diego California

FAQs:

1. What is your minimum order quantity

600 units. The minimum can be split between the same category.

2. Do you charge for R&D?

Currently there are no charges for R&D. Extensive projects may require some fees.

3. Do you provide packaging and labels, or do I need to supply my own?

Either. We can supply either bulk or pre-packaged bottles with labels, taking your product from concept to turnkey. We also offer custom label support.

4. Do you provide marketing and sales materials?

As a standard, no. But arrangements can be worked out.

5. Can you ship orders, including unlabeled units in bulk, on a pallet to our warehouse?

Yes. Standard fees will apply.

6. Can you store the product for us and drop ship?

Our warehouse space is limited. Additional fees may apply. Inquire for current status.

7. Is there a fee to have your formula certified organic?

Yes, certifications fees and labor costs will apply.

Our Environmental Commitment

Our products are entirely free of additives, fillers and synthetic chemicals (such as sodium lauryl sulfate). We never test on animals.

We are committed to promoting a green planet and a healthy future for all generations to come.
